

Welcome to the 2026 Stamp Set Coloring Book!

Below is everything you need to get started on your own 2026 Passport To Your National Parks® stamp set adventure! Whether or not you've visited any of these National Park Service units, it's time to grab your drawing supplies and get to work. When finished coloring the pages, feel free to share your work and tag us on social media so we can share it with others!

Tools You'll Need:

- Printer
- Stapler
- Coloring Utensils Like Color Pencils, Crayons, or Markers
- Optional:
 - Scissors

Instructions:

1. Print out the 2026 Stamp Set Coloring Book document.
 - Don't worry if you can't print in color; black and white works too!
2. Take each page and locate the dashed line.
 - Fold the page away from the dashed line, then back towards it.
 - Repeat this for all pages.

Idea: If you don't want a book, you can cut along the dotted line instead of folding! This will give you frameable pictures.

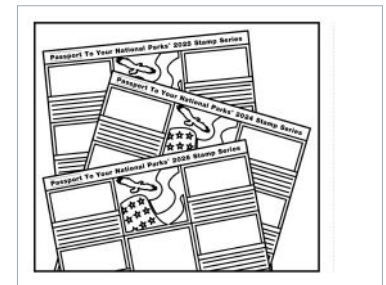

Instructions (Cont.):

3. Arrange the pages in the order you like, making sure the front cover is at the front and the back cover is at the back.
4. With the pages stacked, find the three lines next to the fold on the front cover.
 - Staple each line one at a time to secure the entire book.

Reminder: Here is what the front and back covers look like.

5. Now it's time to color! Enjoy!

Tip: To avoid bleeding through, use crayons or colored pencils. If you prefer markers, color the pages first, then assemble your book.

We hope you enjoy!
